

CBCT & OPG referral

We welcome your referrals for Dental Cone Beam CT scans and OPG X-rays.

In addition we can provide modified X-ray for patients who are unable to tolerate intra-oral radiographs. These can provide bitewing and periapical type X-rays using a modified OPG X-ray.

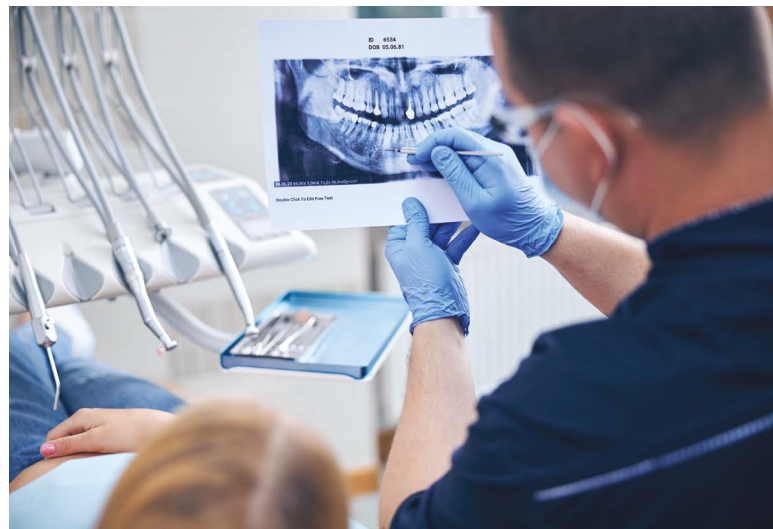

We always provide a full report on all CBCT scans and can also provide reports on all additional X-ray types if required.

TREATMENT COSTS

OPG £70

CBCT (including a full report) £200

For reporting on OPG and other X-rays please enquire.
