★★★★★

After being so scared to attend a dentist for my whole life it came to it that I hadn't been for a very long time. I had to find an emergency dentist as my dentist couldn't see me so got an emergency appointment with Dr Yaser Al Dakerand, but what an honestly amazing team, from entering I felt welcomed and made to put at ease I have decided to change over dentist.

★★★★★

After a traumatic fall on my face, and smashing all my teeth, and losing all my confidence. I went to see the team to see what they could do, well with in 2 appointments, I have had my new crowns and have come out feeling amazing, they have changed my life. So happy 😊
